SEVENTH
CLASS

Mr. Jim Crump

Every year the annual is dedicated to a faculty member which has shown his loyalty and deep concern for our school. We, the Annual Staff, feel that the dedication of the yearbook is truly a great honor.

This year Mr. Jim Crump is being awarded this honor for his overwhelming achievements as principal and his outstanding leadership of the student body. Thank you for your guidance, and may you and Dora High grow in greatness!

With the elements of good coaching, teamwork, quickness, pride and the spirited support of Dora fans, the Bulldogs ended the '77-'78 basketball season with an impressive 25-5 record. Along the way, they captured three 1st place trophies in various tournaments. But more important, Dora captured the Walker County Championship. For the second consecutive year, Dora is No. 1 in the county!

Senior Class

A good education means more than to "teach one to read" as the Greek philosopher Plato who wrote "A good education consists in giving to the body and the soul, all the beauty and all the perfection of which they are capable." To know that to "teach one to read" is the process of knowledge that has been done is a good reason to believe the realization that the knowledge we have gained is the best we can give to the future. My hope is that we have been successful in this realization.

A good education is not just a matter of "teaching one to read" as the Greek philosopher Plato who wrote "A good education consists in giving to the body and the soul, all the beauty and all the perfection of which they are capable." To know that to "teach one to read" is the process of knowledge that has been done is a good reason to believe the realization that the knowledge we have gained is the best we can give to the future. My hope is that we have been successful in this realization.

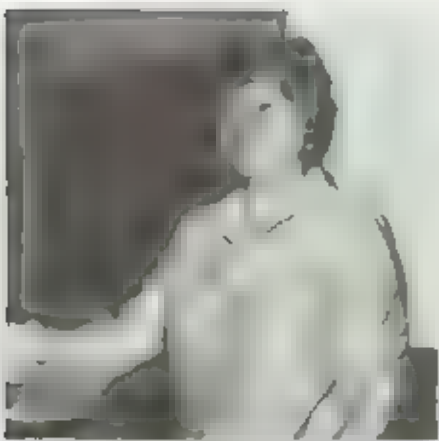

Jim Crump

Seniors of '78

Many of the things that made your school a wonderful place to you will be forgotten as the years pass by. The excitement of the games, the thrill of the races, the thrill of the class, the thrill of the papers, the thrill of the drive and spirit, and you now possess the memories of some of your most cherished acquaintances will be lost. With faith and confidence in the future, you have received a good education, and you will be able to do it all with a good sense of humor and a good heart.
